Seesaw

Aloha Hookele 'Ohana,

In preparation for the upcoming school year, Ho'okele will be using a new online learning platform called Seesaw. Seesaw allows the teacher to assign lessons and assignments to students. Seesaw allows them to create, reflect, share, and collaborate. Students will “show what they know” using photos, videos, drawings, text and more...

Seesaw works on iOS, Android, and Kindle Fire devices. You can also use Seesaw on the web using a computer or Chromebook via a Chrome, Firefox, or Edge browser. [Click here \(link\)](#) for a comprehensive list of platforms and operating systems Seesaw works with.

Please follow Steps 1-3 in this letter to help you get started with Seesaw.

STEP 1: DOWNLOAD APPS ON RESPECTIVE DEVICES:

 <p>CLASS</p> <p>SEESAW CLASS APP</p>	 <p>FAMILY</p> <p>SEESAW FAMILY APP</p>
<p>**This app should be downloaded on the STUDENT'S primary device.</p>	<p>**This app should be downloaded on the PARENT'S primary device</p>
<p>Your child will use the Seesaw Class app for home learning. If your home device is a tablet or phone, download or update the Seesaw Class app in your device's app store. The most recent version of Seesaw is required for home learning. <i>App update is required!</i> If your home device is a laptop or computer, visit app.seesaw.me</p> <p>If you are using a school owned Chromebook, you do NOT need to download anything. This will be the homepage.</p>	<p>The parent will use the Seesaw Parent and Family app to message teachers, view student work and more.</p>

STEP 2: ON THE CLASS APP (STUDENT DEVICE), SIGN IN TO THE STUDENT ACCOUNT WITH THEIR HOME LEARNING CODE.

Attached in this email, you will find a Home Learning Code specific to your child. This home learning code is to be scanned on the **SEESAW CLASS APP** (on the student's primary device). Watch this [youtube video](#) or read the instructions (below) on how to log your child into the Seesaw Class App. If you need to login to your Seesaw account with an email address, you must use our **@hookele.k12.hi.us** account.
